Coloured T-Shirt Reclaimed coloured t-shirt rags are manufactured from recycled cotton and cotton-blend knit fabrics, delivering a soft, absorbent, and economical wiping solution for a wide range of cleaning applications.

Premium White T-Shirt Engineered for performance and consistency, our Premium White T-Shirt Wiping Rags deliver superior absorbency, low lint, and reliable quality for demanding cleaning and finishing applications. Made from high-quality reclaimed cotton, these soft, durable cloths are ideal for tasks where cleanliness and surface protection matter.

Coloured Fleece Our Coloured Fleece Wiping Rags deliver exceptional softness and absorbency, making them ideal for applications where a gentle touch and high liquid retention are essential. Made from reclaimed fleece materials such as sweatshirts and hoodies, these thick, plush cloths provide superior wiping performance for both industrial and janitorial use.
